

Advocacy Tasmania Strategic Plan

2026-2028

Vision

Our vision is for a caring, equitable and inclusive society.

Mission

We exist to support our clients to have their rights upheld, resolve issues and achieve real change. We do this by providing independent, client directed advocacy or support to self-advocate recognising that our clients are the experts in their own lives. We are in our clients' corner, working on issues that are most important to them and that empowers them to take back control over their own lives.

Key Strategies

Realising change and human rights

1. Uphold and champion the rights of our clients
2. Advocate for results, outcomes and real change
3. Empower our clients to have their rights upheld
4. Fight for choice, control and self-determination

Engagement

1. Provide an open, accessible and engaging service
2. Tailor our service for priority groups
3. Reach clients where they are
4. Celebrate our clients' achievements

Sustainability and growth

1. Invest in our team and ability to affect change
2. Maintain our reputation as unwaveringly independent and solely client directed
3. Secure ongoing and sustainable funding.
